

Scrubs season 3

22 episodes.

Season finale. Big wedding. J.D. breaks up with Elliot, but Elliot does not get back together with Sean. She is hurt, but manage to enjoy the wedding in a relative ok way. Turk did not make it to the church, but the afterparty was hold anyway. And at the end Turk and Carla is getting married in the hospital, alone with a priest or father. Weird to watch the finale, as it usually is. On tuesday there is the 4th seasons finale, which probably is going to be the last Scrubs I will watch for a while. I got season 1 and 2 around, but its too akward to start watching it now. Too many feelings built up during the 3rd and 4th season, you know me, the emotional wreck.
